My Candle

Cards

Printable cards to record your own creations, how they turned out, and your ideas for next time.

WHAT'S INSIDE

01 **My Candle: the full card** p. 2
A full page for each creation, laid out like a recipe in the book.

02 **Recipe box cards** p. 3
Two half-page cards per sheet, for a recipe box or a binder.

03 **My Candle Log** p. 4
Every candle you make, at a glance: when, for what occasion, and how it went.

HOW TO USE THEM

- Print as many copies as you like, on US Letter paper or cardstock, at 100% ("Actual size").
- Write the card while you make the candle, then fill in *How it turned out* once you've lit it. Notes you take on the day are the ones you'll trust later.
- Start from the formula in the book: one cup of fat, a star, a friend, and a finishing touch. Not sure about an idea? Try it small first, in three 4 oz paper cups.
- Fill in *Keeps* and *Contains*, just like the recipes in the book, so the card is ready to share.
