Table Signs

& Gift Tags

Printable signs that remind guests to dip in, but not to eat the wick, and tags for the candles you give as gifts.

WHAT'S INSIDE

01 **"Dip in, but don't eat the wick" tent card** — p. 2
The table sign, folded so it reads from both sides.

02 **"Tonight's Candle" tent card** — p. 3
Write in the flavor, the dippers, and what it contains.

03 **Two 5 × 7 signs** — p. 4
"Light, Dip & Enjoy" and "The Candle Bar", sized for a standard frame.

04 **Eight gift tags** — p. 5
Fold-over tags with serving instructions on the back.

BEFORE YOU PRINT

- Print on US Letter cardstock at 100% ("Actual size"), not "Fit to page", so the 5 × 7 signs fit a standard frame.
- Cut along the dashed lines and fold along the dotted ones. Each 5 × 7 sign fits a standard frame.
- On the gift tags, fill in the *Keeps* and *Contains* lines from the recipe, so your friends know how long the candle lasts and what's in it.

Cut along the dashed line, fold along the dotted line, and stand it on the table. Both sides read the same.

HOW TO ENJOY YOUR CANDLE

Keep it in the fridge until it's time to light. Set it on a heatproof plate and let it stand about 10 minutes (coconut oil candles skip the wait). Trim the wick to about ½ in, or 1 in for cheese candles, then light. Dip around the edges, away from the flame, and never leave it burning unattended. The wick isn't edible; remove it before the last bite.
